

# Post Market Surveillance 1

## ASEAN Cosmetic Reference Laboratory Network

25-26 June 2008

Bali, Indonesia

Cheah Nuan Ping

Head

Cosmetics Laboratory, HSA,  
Singapore

# Objectives

- ∩ **Provide support to regulators in post-market surveillance activities**
- ∩ **Integrated approach to cosmetic testing**
- ∩ **Better use of available resources**

## Responsibilities of ACRL

- **Technical support to regulators for PMS activities in the region**
- **Technical assistance to other ASEAN lab. (training, reference materials)**
- **Organising PT exercises**
- **Maintain SOP for ACMs under its charge**
- **Develop new methods to deal with future testing needs**

# Monitoring of ACRL

- ✓ **Periodic assessment of ACR laboratories**
- ✓ **Implementation of corrective actions**
- ✓ **Expansion of network as capacity of laboratory expertise increase.**

# Proposed Activities for PMS3 2008 – 2009 Cosmetic Testing laboratory 1.a.3

**In Consultation with:**

**Alain Decharnat**

**CEN - Senior Expert for Standards  
& Conformance**

**European Technical Assistance for  
Asean Programme for Regional  
Integration - APRIS2**
